

## REPORT FOR EYS WORKCAMP 2025 – Berlin-Reineckendorf

Name: Valentine M. Erzinger

Colégio Cônsul Carlos Renaux, Brusque/SC, Brazil

I felt like I grew more in these two weeks than I had in months... I feel privileged to have had the chance to meet all these people, to share all these experiences, challenges, knowledge, and lifelong friendships! Working at the cemetery these two weeks gave me a new perspective on the world, made me feel like I was doing my part, or at least trying, to make the world a better place. Discovering a little more about the history of the place and Germany itself was enriching! There were challenges and difficulties, but they helped me grow as a person and a global citizen! Putting my English into practice, trying to learn more about German, and interacting with other languages was extraordinary! Thank you so much for the opportunity! I will always be grateful!
